Linda Williams....Secretary

Virginia Ulch....Counselor

Dear Parents,

Time to catch up on all the great things that have been happening at Burroughs and what you can look forward to in the following months.

First, thank you for taking an active role in your child's education. Our teachers use the Remind or Dojo app to keep you in the loop daily, and I use the all call messenger app for mass announcements and notifications. If for some reason, you are not receiving classroom information contact the office and we will put you in touch with your child's teacher.

With Valentine's Day coming up and Birthday celebrations, it is Burroughs policy and the district policy that all food items be individually wrapped. That means no cookie cakes, cupcakes etc. Little Debbie items, popsicles that are individually wrapped are fine. We will not and cannot serve items that are not individually wrapped.

Currently, our students are preparing for the 3rd I-Ready diagnostic test. Burroughs staff is expecting terrific gains in results since the children have had in person instruction throughout this year. Mr. Preston and I are always in and out of classrooms and we are witnessing fantastic instructional strategies that our teachers are implementing. Finally, at dismissal, the circle driveway has two lanes; the curb lane is for you to park and wait for your child, the other lane must keep moving because otherwise traffic is being halted on South Street. We have a parking lot for you to wait for your child also. Please help keep the traffic flowing. Working together makes Burroughs the best place to learn

Respectfully,

Barb Fischer

Burroughs Principal
